STAT

I am in receipt of your letter dated 12 February 1948 which I have read with interest.

On the basis of your request I have had your application again reviewed to determine whether or not there was a vacancy in this organization for you.

I regret that the position for which you were previously considered no longer exists, and that there are no vacancies at the present time for one with your qualifications.

Very truly yours,

SIGNED - *Sup 2/17*

R. H. HILLENKOTTER
